At Job Prospects we have a relentless belief in people and their potential - and that includes you!

We have worked with young people for the last 60 years to get them get into work and find stability.

We take the time to understand what you want to do, where your interests lie and what your abilities are. And when we are clear on all that, we set about finding the right job for you.

We can also help if you're looking to continue studying for a while before entering the workforce. So whether you're looking to start working or continue studying, we can help.

In year 11 or 12?

We can also help you prepare for work while you're finishing Year 11 and 12. This means you'll graduate with more options for ongoing work or study. Ask us for more information on how this could work for you.
